Language	German
Gender	Female
Age impression	Adult, ageless
Tone	Very soft, calm, whisper-like, ethereal
Pace	Extremely slow, hypnotic
Use case	Bedtime stories – wind-down ritual

TTS Instruction (English)

A very soft, calm, and ethereal female voice for meditation. Extremely slow pacing with a whisper-like quality. Like someone murmuring right beside the child's ear at bedtime. Deeply soothing and hypnotic.

Character

Eine sehr leise, sanfte Stimme – wie ein flüsternder Atemzug neben dem Ohr. Hypnotisch langsam, ideal für die letzten Sätze vorm Einschlafen.
