TTS Instruction (English)

A very gentle, elderly female voice with deep warmth and wisdom. Slightly frail and very slow-paced, like a loving grandmother who is very old and speaks with tenderness. Rich in unconditional love and life experience. Clear German articulation. Sounds authentically grandmotherly, not just deep and calm.

Character

Eine wirklich großmütterliche Stimme – alt, weise und voller Liebe. Wie eine echte Oma, die ihrem Enkelkind eine Geschichte erzählt. Zerbrechlich, aber warm, mit der Weisheit vieler Jahre.
